The Position
The purpose of this position is to manage staff and resources of the Paediatric Wing of CWM Hospital hence providing the planned range of curative services to Paediatric patients within the Suva peninsula as well as the peripheries. The service has a focus on child health, promoting healthy nutritional values, wellness and early referral to specialist hospital overseas.

Key Responsibilities
The position will achieve its purpose through the following key responsibilities/duties. Working with relevant staff and service providers, in accordance with legislative requirements in the following areas:

1. Oversee the operational (staff/consumables) activities of the wards and special units of the Paediatric Unit.
3. Oversee the provision of quality and safe deliverance of care to patients/clients.
4. Maintain the highest professional level of open and effective communication across all cadres of medical/nursing personnel in Paediatric Unit & CWMH as a whole.
5. Participate in the updating of Institutional Nursing Policies, Protocol, Guidelines and Procedures through the Nursing Advisory Committee.
6. Ensure that wing reports are compiled and submitted as per time timeline. Included is the Annual Performance Assessment (APA) and the annual licensing practice for nurses.

Key Performance Indicators
1. Coordinating and controlling the daily operational activities of the wards/special unit by leasing with ward managers and wing supervisors to ensure that ward coverage is maintained in all shifts and ensuring adequate stock of consumables is available by leasing with support services such as stores/laundry/pharmacy and health housekeeping.
2. Develop unit business plan aligned to AOP and ensure that deliverables are met in the agreed timeframes.
3. Coordinate the orientation of nursing interns deployed to the Unit every 3 months, nurses on transfer yearly to enhance their knowledge with adherence to health policies, guidelines, Nursing Degree, Scope of Practise and nursing standards.
4. Facilitate quarterly audits in the unit and recommend changes for improvement.
5. Maintain disciplinary process in the unit. Coordinate counselling sessions for improvement.
6. Reviews existing policies, protocols, guidelines and procedure every quarter to ensure nursing practise is within the scope.
7. Facilitating and Monitoring Annual Performance Assessment (APA) and Annual Practising Licence annually ensuring that it is valid and nurses practice is within required standard of the scope and in line with other Institutional policies and guidelines. Submit wing quarterly reports within the timeline.

Selection Criteria

The Person

In addition to being registered nurse with the Fiji Nursing Council. The position holder must have a Bachelor of Nursing with post graduate qualifications in nursing, health management/leadership or similar. The following Knowledge, Experience, Skills and Abilities are required to successfully undertake this role:

Knowledge and Experience

1. At least 5 years working experience as a nursing manager in Paediatric Unit
2. Proven experience and comprehensive understanding of the registered nurses and midwives scopes of practice and the Fiji Nursing Act (2011) and Nurses Code of Conduct.
3. Understands the applicable legislation or policies/procedures with regards to the Ministry of Health & Medical services policies, other policies governing the safety of children and Public Service as a whole
4. Has broad knowledge on donor policies and support for visiting paediatric team teams

Skills and Abilities

1. Demonstrated the ability to work and manage a multidisciplinary team in the most restrictive environment.
2. Demonstrated capacity and experience responding effectively to natural disasters and large disease outbreaks in collaboration with the Ministry, other government agencies, and international donors.
3. Capacity to utilise computer programs to support the operations of complex organisation;
4. Service oriented approach, with a commitment to supporting the operational and corporate environment of the organisation.
