

## LOLOMA FOUNDATION SURGERY / DENTAL MISSION 2014

**TAVEUNI HOSPITAL, TAVEUNI ISLAND--April 27-May 6 or May 4-13**

These missions will consist of a surgical team who will perform general and specialized surgeries and a dental team. We hope to have an oral surgeon, general dentists and some hygienists.

The hospital is a fully functioning, electrified (daylight hours only) 30 bed inpatient hospital with two resident physicians who live on site. There are childrens, mens, womens and obstetrics wards on site with resident nurses. A very nice operating theater is on site together with a labor and delivery room. There is also a pharmacist who often has

a full stock of medications. We have 3 portable dental units and will be bringing all of our own supplies and medications.

Accommodations will be at **AROHA RESORT** [www.arohataveuni.com](http://www.arohataveuni.com). Aroha is a small, family-owned venue with a pool, on the water and close to the hospital. **COST: \$3300.00** per person, inclusive of air, local daily transport, temporary licensing, accommodation and meals, inclusive

of taxes.

**To reserve space on one of these weeks requires a non-refundable deposit of \$200.00** and availability is on a first-come, first served basis. Space is limited as each weekly group consists of no more than 14 volunteers.

Taveuni Island is part of the Northern Lau group and offers many stellar activities to fill your leisure allocation. There is great diving and snorkeling, hiking on the Lavena Coastal trail and trekking up to the Bouma Waterfalls. The island is known as "The Garden Island" and sports a rural population of 12,000 Fijians. Indo-Fijians, part-europeans, chinese and indigenous Fijians all peacefully co-exist in this verdant, rural paradise.

We are looking forward to our 14<sup>th</sup> very productive year serving the basic medical, surgical and dental needs of rural Fijians. Come join us! For those of you who haven't been on our trips, please visit our web page at [www.Lolomafoundation.org](http://www.Lolomafoundation.org) to learn more about our last trip. We work hard, always allowing time to take in the physical beauty and culture of this amazing country. Vinaka!
