Base Salary & Allowance:	MOCA C: Base Salary: 106,857.63 + On Call Allowance: 5,342.88 + Environmental Allowance 16,028.64 = F\$128,229.16
Duration:	5 years
Location:	Eastern Health Services
Unit/Division:	Eastern Health Services
Report to :	Chief Medical Advisor, Permanent Secretary
Subordinates:	CMOs/SDMOs, National Advisors, All staff within the Eastern Health Services

Overview of the Divisional Health Services

The Divisional Health Services provides a comprehensive range of public health and primary care services to a population defined in a geographical Division of Fiji. Public Health Services comprise of activities aimed at improving health and prolonging life of the population through health promotion, disease prevention, rehabilitation and other health interventions. Primary Care Services are mostly clinical primary care outpatient services with special emphasis on preventative care.

The Position

The position supports and assists the Chief Medical Advisor in the provision of primary health care and public health services in the Geographical Division by managing and administering these services including health programs such as Family Health, Non Communicable Diseases, Control of Communicable Diseases, Food and Nutrition, Environmental Health, Oral Health, Health Promotion and Wellness through the Sub-Divisional Medical Officers.

Key Responsibilities

The position will achieve its purpose through the following key responsibilities. Working with relevant staff and service providers, in accordance with legislative requirements:

1. Provide leadership to promote the interest and development of the Geographical Division through strategic planning, ensuring cohesion of the overall functions of the unit by working effectively with internal and external stakeholders and maintain positive interpersonal relationships.
2. Undertake clinical responsibilities in the Geographical Division, by being actively involved in patient care, available for consultation and liaison with other units and referring hospitals, maintaining appropriate records and confidentiality, to ensuring best practice care to obtain best possible outcomes whilst promoting and maintaining client focus.
3. Lead in peer reviews, monitor and evaluate activities of Divisional plans to ensure corrective measures are undertaken to provide effective and efficient services.
4. Responsible for ensuring the implementation of public health programs and activities at the various operational levels in the Geographical Division.

5. Identifying and minimizing risk at a systematic level through effective communication and management skills to contribute to improved clinical governance, providing reports, medico-legal assessments and expert opinion for the Divisional Office.
6. Undertake education, teaching and research activities to train, coach, mentor and support staff, students and other stakeholders; be responsible for personal continuous professional development and be a health advocate.

Key Performance Indicators

Performance will be measured through the following indicators:

1. Provide effective leadership to promote the interest and development of the Hospital/Divisional plans agreed to with the Permanent Secretary.
2. Undertake clinical/PH responsibilities in the hospital/Division or on outreach to obtain best possible outcome and maintain client focus.
3. Monitor and evaluate all activities of the hospital plans to provide effective and efficient services and ensure corrective measures are undertaken to improve clinical governance.
4. Undertake education, teaching and research activities for personal continuous professional development and be a health advocate.

Person Specification

In addition to relevant postgraduate qualifications, is a Registered Specialist from respective Institution (Association and/or College) which is recognized by the Fiji Medical Council, the following knowledge, experience, skills and abilities are required to successfully undertake this role:

Knowledge and Experience

1. Strong knowledge of evidence-based standards of safe practices in Public Health including epidemiology, preventative medicine, primary health care and rehabilitation.
2. Understanding of medical and government legislation, public health and health related policies and medico-legal compliance.
3. Broad understanding of concepts/tools used in clinical leadership, public health service management, audits, research, monitoring and evaluation and clinical governance.
4. Specialized training with broad clinical experience in Public Health and General Medicine.
5. Experience working and managing a secondary health care hospital, managing a Geographical Division with limited resources and is confident and competent in teaching and training staff.
6. Experience in resuscitating patients with life-threatening emergencies and subsequent management of critically ill or injured patients, initiating and participating in an emergency response, and supporting team members and relatives of very sick patients.

Skills and Abilities

1. Excellent clinical and public health Skills including Procedural Skills.
2. Is articulate and able to engage at International and National high level meetings.
3. Strong Organizational Skills.
4. Ability to work within and manage a multidisciplinary team, work under pressure in a resource constrained environment/facility and cope with setbacks.
5. Able to analyze and solve complex medical problems using an evidence-based approach and offer expert clinical and public health opinion on a range of problems in the Geographical Division, taking full and independent responsibility without direct supervision.
6. Demonstrated ability in organizing professional development activities (conferences, meetings and workshops), personal development and learning new skills.

Selection Criteria

1. Public Health and Clinical expertise at the level of Consultant and should have significant depth of experience in Public Health.
2. Experienced manager who can supervise a Geographical Division to maintain patient safety and quality of care.
3. Articulate presenter at high level meetings.

4. Demonstrated ability to collaborate with stakeholders and Health Advocates.
5. A leader experienced in training, mentoring, coaching and supporting research.
6. A professional who demonstrates the highest values and ethical practice.

Personal Character and Eligibility

Applicants for employment in the Ministry of Health & Medical Services must be of good character, with a background that demonstrates their commitment to the Civil Service Values contained in the Fijian Constitution. Unit/Division:	Rehabilitation Unit
Report to :	Medical Superintendent
Subordinates:	Principal Medical Officers, Senior Medical Officers and Medical Officers within the Unit

Overview of the Hospital

Tamavua Twomey Hospital is the national referral hospital for specialized Dermatology, Tuberculosis and Rehabilitation Medicine responsible for overseeing promotion, prevention, curative and rehabilitation activities. It is also a National Training Centre.

The Position

The position supports and assists the Medical Superintendent in the provision of high quality services in the relevant specialized field of Medicine, under the responsibility of either the Medical Superintendent or Chief Medical Advisor, consistent with the values of the Ministry of Health and Medical Services.

Key Responsibilities

The position will achieve its purpose through the following key responsibilities.

1. Provide assistance or leadership and management to promote the interest and development of the Unit through strategic planning, ensuring cohesion of the overall functions of the Unit by working effectively with the HOD and adheres towards a positive collegiate relationship.
2. Undertake clinical responsibilities in the hospital and on outreach, by being actively involved in patient care, available for consultation and liaison with other units and referring hospitals, maintaining appropriate records and confidentiality, to ensuring best practice care to obtain best possible outcomes whilst promoting and maintaining client focus.
3. Facilitate peer reviews, monitor and evaluate Unit activities and implement corrective measures to provide effective and efficient services.
4. Responsible for medical reports & medico-legal assessments and provision of expert opinion under the guidance and directive of the HOD. For National Advisors, they oversee the implementation of public health programs and program interventions at operational level.
5. Identifying and minimizing risk at a systematic level through effective communication and management skills to contribute to improved clinical governance.
6. Undertake education, teaching and research activities to train coach, mentor and support staff, students and other stakeholders; be responsible for personal continuous professional development and be a health advocate.

Key Performance Indicators

Performance will be measured through the following indicators:

1. Provide assistance to promote the interest and development of the Unit using the plans agreed to by the MS/DMO and HOD for clinical specialty.
2. Undertake clinical/public health responsibilities in the hospital and on outreach to obtain best possible outcome and maintain client focus.
3. Monitor and evaluate activities of responsible areas of Unit plans to provide effective and efficient services and ensure corrective measures are undertaken to improve clinical governance.
4. Undertake education, teaching and research activities for personal continuous professional development and be a health advocate.

Person Specification

A Masters degree in the field of specialty or equivalent qualification AND a Registered Specialist by the Fiji Medical Council; **OR** A Masters degree in the field of specialty or equivalent qualification AND a Registered Specialist in another country that would be recognized by the Fiji Medical Council; **OR** If not registered as a Specialist, the Applicant must have a Masters degree in the field of specialty or equivalent qualification and be confirmed as qualifying to be recognized as a Specialist by the Fiji Medical Council.

Knowledge and Experience

1. Strong knowledge of evidence-based standards of safe practices in the relevant specialized field of Medicine and general medicine.
2. Understanding of medical and government legislation, policies and medico-legal compliance.
3. Broad understanding of concepts/tools used in clinical leadership, management, audits, research, monitoring and evaluation and clinical governance.
4. Specialized training with broad clinical experience in the relevant specialized field of Medicine.
5. Experience working in a level two hospital, managing a clinical Unit with limited resources and confident and competent in teaching and training staff.
6. Experience in resuscitating patients with life-threatening emergencies and subsequent management of critically ill or injured patients, initiating and participating in an emergency response, and supporting team members and relatives of very sick patients.

Skills and Abilities

1. Excellent Clinical and Public Health Skills including Procedural Skills.
2. Excellent communication skills.
3. Strong organizational skills.
4. Ability to work within a multidisciplinary team, work under pressure in a resource constrained environment/facility and cope with adverse outcomes.
5. Able to analyze and solve complex medical problems using an evidence-based approach and offer expert clinical opinion on a range of problems in the relevant Specialized field of Medicine, taking full and independent responsibility without direct supervision.
6. Demonstrated ability in organizing professional development activities (conferences, meetings and workshops), personal development and learning new skills.

Selection Criteria

1. Clinical and Public Health expertise at the level of Specialist and should have significant depth of experience in the relevant Specialized field of Medicine.
2. Effective manager who can supervise a unit to maintain patient safety and quality of care.
3. Highly effective oral and written communicator.
4. Demonstrated ability to collaborate with stakeholders and Health Advocates.
5. A leader experienced in training, mentoring, coaching and supporting research.
6. A professional who demonstrates the highest values and ethical practice.

Personal Character and Eligibility

Applicants for employment in the Ministry of Health & Medical Services must be of good character, with a background that demonstrates their commitment to the Civil Service Values contained in the Fijian Constitution. Applicants must also be Fijian Citizens, under age of 55, in sound health, with a clear police record. The selected applicant will be required to provide a medical certificate and police clearance prior to take up of duty.

The Ministry is an Equal Employment Opportunity employer. Applications are encouraged from all eligible, qualified applicants. All applicants must address the specific knowledge, experience, skills and abilities required of the job, as these criteria will be considered in assessing the relative suitability of applicants.
