VACANCY MOHMS 33/2024

MINISTRY OF HEALTH & MEDICAL SERVICES ROLE DESCRIPTION

Particulars of the position

Role:	Medical Officer
Salary Band:	Band H
Base salary & Allowances:	MOCA C: Base: 47,684.02 + On Call Allowance: 2,384.20 + Environmental Allowance 7,152.60 = F\$57,220.82
Location:	Fiji Centre for Disease Control
Division:	Health Protection
Reports to:	Head of Health Protection, Principal Medical Officer, Senior Medical Officer
Subordinates:	

Overview of the Unit

The Division of Health Protection encompasses the departments of Environmental Health, Health Emergencies and Climate Change, and the Fiji Centre for Disease Control (Fiji CDC). The Division is responsible for the coordination and implementation of environmental health, health emergencies, and climate change and communicable disease programs nationally.

The Position

The position supports the Head of Health Protection in the operations of the Division of Health Protection, including the administration and delivery of health protection programs.

Key Duties

The position will achieve its purpose through the following key duties.

1. Supports the implementation of Health Protection programs
2. Assists in the management of operations of the Fiji Centre for Disease Control
3. Provides assistance to divisions and subdivisions in communicable disease investigation and outbreak activities
4. Support professional development across the MoHMS.
5. Actively contribute to Ministry requirements, including planning, budgeting, and corporate activities with guidance from PMO and SMO.

Key Performance Indicators

Performance will be measured through the following indicators:

1. Timely implementation and completion of activities outlined in the business plan activities with the timely submission of quality reports on a weekly, monthly, quarterly, or annual basis.
2. The number of outbreak investigation reports submitted, research work involvement, and trainings conducted.
3. Continuous staff training and ensuring reports and staff competencies are completed
4. Contribution to the development of the Fiji CDC Business plan, relevant guidelines, Standard operating procedures, and relevant documents under the health protection program.

The Person

In addition to pursuing or intending to pursue a postgraduate qualification in Public Health, Epidemiology or equivalent; the following knowledge, experience, skills, and abilities are required to successfully undertake this role:

Knowledge and Experience

1. Experience in communicable disease surveillance and outbreak response.
2. Some knowledge of communicable disease epidemiology and experience in the implementation of communicable disease programs
3. Experience in the management of multi-disciplinary teams is an advantage.
4. Understanding of relevant health legislation, policies, and good governance principles
5. Experience in managing the daily operations of a health facility is an advantage
6. Experience in conducting training and/or some experience actively participating as a team member in communicable disease outbreak response.

Skills and Abilities

1. Adequate skills in public health: specifically, epidemiology, surveillance, and response
2. Good communication and interpersonal skills.
3. Good organizational skills.
4. Critical thinker with the ability to recognize and assist in solving complex problems using an evidence-based approach with guidance from the Head of Health Protection, PMO, and SMO
5. Ability to manage multidisciplinary teams to implement health protection programs
6. Demonstrated ability to assist in professional development activities (conferences, meetings, and workshops), personal development, and learning new skills.
7. Proficient in the use of relevant computer software including MS Word, Excel and Powerpoint

Selection Criteria

1. Experience in communicable disease surveillance and outbreak response.
2. Ability to assist the SMO and PMO in the supervision of a unit, and manage programs
3. Highly effective oral and written communicator.
4. Demonstrated ability to collaborate with stakeholders and health advocates.
5. Ability to train and support research.
6. A professional who demonstrates the highest values and ethical practice.

Personal Character and Eligibility

Applicants for employment in the Ministry of Health & Medical Services must be of good character, with a background that demonstrates their commitment to the Civil Service Values contained in the Fijian Constitution. Applicants must also be Fijian Citizens, under age of 60, in sound health, with a clear police record.
